

## **Privacy Policy**

NHN Techorus Corp. (hereinafter referred to as “Techorus”) recognizes that protection of personal information is one of the most important responsibilities of an internet content service corporation. Techorus, as well as its group companies, have established the following guidelines for handling personal information and specific personal information (personally identifiable information, including individual number; used with this definition hereinafter), and will follow these guidelines strictly to protect personal information in secure and appropriate ways.

### **Appropriate Collection and Specification of Purpose**

When collecting personal information and specific personal information, Techorus will specify in advance the purpose of use and utilize appropriate and fair methods for collection.

With the exception of cases where laws and regulations necessitate it, the personal information that is collected will not be used outside the intended purpose without consent from the individual to which said personal information belongs. Furthermore, Techorus takes appropriate measures to prevent uses other than the intended purpose.

The specific personal information that is collected will only be used for purposes specified in laws and regulations.

### **Provision to Third Parties**

With the exception of cases where laws and regulations necessitate it, the personal information that is collected by Techorus will not be provided to third parties (including third parties in foreign countries) without consent from the individual to which said personal information belongs. Furthermore, with the exception of cases where laws and regulations necessitate it, the specific personal information that is collected will not be provided to third parties.

### **Safe Management of Personal Information**

Techorus implements the necessary and appropriate measures to prevent the unauthorized access, loss, damage, falsification, leakage, etc. of personal information and specific personal information.

Subcontractors given access to the personal information collected by Techorus are required to ensure strict management of this personal information, and will be monitored by Techorus in the necessary and appropriate ways.

### **Continuous Improvement for the Protection of Personal Information**

Techorus periodically revises its handling of personal information and specific personal information in accordance with social changes and revisions of laws and regulations, and ensures continuous improvement by establishing internal policies (including this Privacy Policy), educating employees, and conducting internal audits.

### **Compliance with Laws, Regulations, and Other Rules**

In order to protect personal information and specific personal information, Techorus complies with all laws and regulations related to our industry, policies defined by the Japanese government, and all other related guidelines.

### **Response to Complaints/Inquiries Regarding the Handling of Personal Information**

Techorus has established an organizational structure to respond to complaints and inquiries regarding the handling of personal information and specific personal information, and will strive to respond quickly and appropriately.

### **Contact Us**
